

An architectural rendering of a modern multi-story building. The lower portion of the building is constructed from dark red brick and features rectangular windows with dark frames. Some windows have small, dark, cantilevered balconies. The upper portion of the building is a dark grey or black volume with a series of large, arched windows. The interior lights of the windows are on, showing some furniture and people inside. The building is set against a sky with soft, wispy clouds, suggesting a sunset or sunrise. In the background, a lush green park with trees and a path is visible. A black diagonal banner with white text is in the bottom left corner.
